PROFILE

Creative and detail-oriented Lead UX & UI Designer with 5+ years of experience crafting intuitive digital products for clients across North America and Europe. Skilled in translating complex user needs into elegant, accessible interfaces. Passionate about design systems, prototyping, and cross-functional collaboration.

EXPERIENCE

Lead UX & UI Designer — PixelForge Studio 2021 – Present
Vancouver, BC

- Led end-to-end design for 12+ client products, increasing user retention by an average of 34%.
- Built and maintained a company-wide design system used across 6 product teams.
- Conducted usability testing sessions and translated insights into actionable design iterations.
- Collaborated with engineers and PMs to ship features on time across Agile sprints.

UI Designer — Brandwave Agency 2019 – 2021
Toronto, ON

- Designed responsive web interfaces for 20+ marketing campaigns and e-commerce platforms.
- Created interactive prototypes in Figma and presented concepts directly to clients.
- Reduced design-to-handoff time by 40% by introducing a reusable component library.

Junior Web Designer — Freelance 2018 – 2019
Remote

- Delivered landing pages, brand identities, and UI kits for startups and small businesses.
- Worked directly with founders to define visual direction and information architecture.
